The TeamLVC Philosophy...

The Legion Volleyball Club has been established to provide a positive learning environment for athletes who have a passion for the game of volleyball and are looking to improve their skills. We strive to provide each player with unparalleled instruction to build their character, development of skills and sportsmanship. At the same time we look to provide a fun and nurturing environment for our volleyball players so they are able to reach their maximum playing abilities. Our girls will be challenged to excel not only individually, but also as members of their team and community. The Legion Volleyball Club players and coaches abide by four pillars at all times: accept personal responsibility, give your best effort, show respect (opponents and fans), and treat your teammates & coaches like family.

The players will compete in [USA Volleyball \(USAV\)](#) tournaments throughout the year. USAV is the national governing body of volleyball in America and has its headquarters in Colorado Springs at the Olympic Training Center. Within the USAV program is the United States Junior Olympic (USJO) program for boys and girls of all ages. Participation has grown to over 300,000 players in recent years. The USAV ensures that their sanctioned events are conducted consistently and under the proper conditions. All USAV coaches are required to go through coaching certification training and offer training advancement to those coaches who wish to pursue further education. USAV hosts many large-scale regional events which could lead to an opportunity to participate at the Junior National Championships.

Common Questions

Why does club volleyball cost so much?

The answer is, "You get what you pay for." TEAMLVC operates as close to full-cost budgeting as possible. Consequently, we budget for all known costs up front. TEAMLVC expects members and parents to organize fundraising efforts that will assist in offsetting or completely covering their membership fees. TEAMLVC also expects that the hosting of our own tournaments will help cover any unforeseen price increases and/or expenses that will no doubt arise during the course of the season.

One of the largest expenditures are rental fees for gyms. The average gym costs approximately \$75-\$100 hour/court. Given the fact that our teams practice 2-3 times per week, this cost adds up quickly. Our fees are actually much less than those of comparable travel clubs in New York, however, many of their club fees do not include tournament entry fees as our does.

In addition, the amount and level of instruction, training and competition that the athletes will receive and be exposed to would equate to more than 10 weeks of volleyball camps or clinics and they average \$400/week at the least.

TEAMLVC also has the most qualified and active coaches than any other club in the Northeast.

How many tournaments will we be attending?

Because tournaments vary in length, the number of tournaments that each team attends will vary. **Local** teams generally play 6-8 days worth of tournaments; **Travel** teams generally play 18-20 days worth of tournaments.

Why don't we have a set schedule?

The Iroquois Empire Volleyball Association (IREVA) sanctions all USAV Junior volleyball tournaments and requires teams to submit applications for acceptance into the events. However, many times the number of teams that apply exceeds the slots available at the tournament. Consequently, we may get bumped from tournaments to which we apply and have to make alternative choices.

How long are local tournaments?

Local tournaments are all-day affairs. The teams are placed in four or five team pools and will be playing a round robin schedule. The first and second place teams of the round robin (or pool) advance to the playoffs. Normally, tournaments start at 8:00 a.m. and pool play normally finishes up by 5 or 6:00 p.m. Playoffs do not begin until all nets have completed pool play and everyone should plan on being there until the finals are over... and we will leave as a team. The players normally camp out all day – literally. You will see sleeping bags, blankets and pillows everywhere. Because many of the facilities do not have bleachers, you should invest in a portable chair if you want to sit. Plan on bringing enough food and drink for the entire day. There are concession stands available at some events if you don't have time to bring your own items.

What are the referee/scorekeeper clinics?

All teams must supply a work team for matches in which they are not playing at some point during a tournament. Part of the work team must include a certified scorekeeper and referee. To become certified, players must attend an all-day clinic. The dates for the clinics will be supplied and posted. If your child received certification last year, they still must recertify this year.

Parents may attend the clinics and become certified referees and scorekeepers if they so desire. These clinics have also become available online through USAV webpoint.

How many times do the teams practice?

Practice times and places will depend on available gym space and number of teams formed. Practices are twice per week for 2 hours. The goal is for Travel teams to practice two times per week with one workout day and the Local teams to practice twice per week.

Why does it cost to tryout?

The TEAMLVC tryout fee is \$20. The funds will help to cover administrative costs associated with personnel and gym rental expenses. In addition, TEAMLVC is covered by USA Volleyball insurance, and all individuals participating in any event sponsored by our organization (including tryouts) must be a member. Consequently, all players trying out for a team must purchase a membership.

How will we know if our child has made a team?

We will be calling or emailing the players offering them positions on our teams. We will start with the 18's team and work down to the youngest. We will do our best to have the 15's – 18's have no more than ten players whereas the younger age groups may have upwards of eleven or twelve players. Some players may be offered a "practice player" position on a particular team. The "practice players" will attend all practices and can be selected to attend specific tournaments if regular roster players are unable to attend. Players who do not make a team will also receive a message from TEAMLVC. The TEAMLVC Club Director will assist you in contacting other suitable Club Directors should you decide to go elsewhere, and provide you with the necessary written release.

What do we do when our child accepts a position on a team?

You need to send in the club fee by the first December payment along with the Participation Agreement and the Code of Acceptance to:

TeamLVC PLAYER Code of Conduct and Rules of Participation

Player Conduct

1. Players must treat one another with respect. Volleyball is a TEAM sport, and we insist that all players work together for the common goals of the team. Any disrespect or negative comments directed toward a teammate will result in automatic removal from the game or practice. Foul language, fighting, taunting or aggressive behavior will not be tolerated. Violation of this standard may require the player to apologize to the team for placing herself before the needs of the team. The coach may also suspend or dismiss the player depending on the severity of the violation.
2. Players displaying insubordination to any coach or adult involved with TEAMLVC will be suspended and may be dismissed from the club.
3. Players are never to express disrespect or displeasure towards referees, opposing coaches, or opposing players. Any problems with tournament personnel or other teams should be brought to a coach's attention for further action.
4. Players who receive a verbal warning or a yellow card for unsportsmanlike conduct from an official during any competition may be removed from that game and may be suspended from the next game at the discretion of the coach. Coaches may lengthen any suspension.
5. TEAMLVC will not tolerate any use of alcohol, tobacco, or illicit drugs by its athletes. Use of any of these substances is grounds for immediate dismissal from the team.

Parent and Spectator Conduct

1. Because our gym time is limited and the focus of the training is between the players and the coaches, we ask that parents do not sit in or interrupt practices for any reason other than emergency.
2. Each team is expected to have a team representative or Liaison chosen who will act as the team's communication link for all issues, concerns and announcements relating to the team and/or player to the appropriate committee chairperson or coach. The team representative should work with the head coach to help organize rides, meeting times etc.
3. Parents and spectators are not to distract or talk to players during practices or competitions. The players need to be concentrating on the game and listening to their coaches and teammates.
4. TEAMLVC expects parents and spectators to keep their cheers and comments constructive and positive while in the stands and representing the club by association. We ask our athletes to maintain a high level of conduct, and we expect the same from their role models. Consequently, we ask parents and spectators to refrain from directing negative or derisive comments towards officials, players (opposing or our own), coaches or fans.
5. To be successful, TEAMLVC needs the commitment of both players and parents. Parents must be willing to arrange for the transportation of their child to practices and local tournaments, pay club fees, and volunteer as chaperones for out-of-town tournaments when needed.

Practices

1. Players are expected to attend all practices. TEAMLVC is to take priority over any other non-scholastic club activity. If this expectation is unable to be upheld, the player must contact the coach in advance of the practice that is going to be missed and he/she will determine what action to take as a result of this standard not being met. Conflicts occur in life, as do consequences for our decisions and actions, which is the life lesson that the coach will pass on if a situation like this occurs.
2. If a player leaves a practice without the permission of the head coach, TEAMLVC will consider the player to have resigned from the club.
3. Practices are closed to non-TEAMLVC members unless an invite has been extended to or approved for someone by a coaching staff member in advance.
4. We expect players to exercise outside of practice to maintain the physical fitness needed to achieve their full potential.

Team Assignment

Players may be moved between teams if the affiliated Coaches and/or Club Director deem it necessary for reasons having to do with (but not limited to) injury, illness, attitude, work ethic, skill level, etc.

Jewelry

No jewelry, including pierced jewelry, is to be worn during practices or tournaments. All jewelry and body glitter is against USA Volleyball rules. If a medical tag must be worn, it must be taped to the player's body.

Tournaments

1. Players are expected to attend all tournaments to which the team has committed. Once players have committed to play on a date, they must attend the tournament. If this expectation is not upheld and it causes the team to forfeit their entry into the tournament – the violating player/s will be responsible for any lost entry fees to the club. TEAMLVC will make every effort to find a replacement tournament for the team once lost entry fees have been collected.
2. Work teams are an important and mandatory part of the game. TEAMLVC takes this responsibility seriously and expects players to work in a responsible and attentive manner. Consequently, players will be expected to attend a one-day referee/scorekeeping clinic at the beginning of the club season. These clinics are also available online through your personal USAV webpage profile.
3. At tournaments, every team must supply a work team during the day. Each team will have to supply a second referee, scorekeeper, libero tracker and line judges. If your team must work after you have completed playing for the day, every team member must stay, regardless if they are actually working at that moment. Working matches is a team responsibility, not a punishment... and we should be planning to be at the finals of every tournament anyway. If not as competitors or workers, as spectators to see how the winning teams do what they do to win.
4. If another TEAMLVC team is participating in a tournament at the same facility, teams are expected to watch and cheer for the other TEAMLVC teams whenever they are playing and their tournament schedule allows.
5. Players are to maintain a healthy lifestyle while participating on an TEAMLVC team. During tournaments, players are to bring healthy food for consumption.
6. Players must never go anywhere alone during tournaments. The buddy system should always be used. Players must also let the coach know where they will be if they leave the team area at tournaments.
7. Players must wear TEAMLVC issued clothing at tournaments.
8. TEAMLVC expects all players to maintain a high standard of conduct at tournaments. Any vandalism or misconduct may result in suspension or dismissal from the team.
9. Players must ride with an adult to tournaments. Expectations may be granted to 18 year old players. Players wishing exceptions must make a formal written request to their coach and receive permission from a Club Director.
10. The coaching staff is responsible for the safety and conduct of the players when they are in the competition site. Therefore a player may not leave the competition site without the express permission of the coach even if accompanied by the parent. Leaving a competition site without the permission of the head coach will be considered a resignation.

Overnight Travel

1. On overnight trips, the Travel Chairperson will coordinate with the Team Reps regarding hotel locations and information on the blocks of rooms reserved. Parents are responsible to make arrangements with the booking agent listed. Team players will stay together in hotels only if the parents so choose and proper arrangements are made with the Travel Chairperson. Overnight tournaments offer a different set of challenges and pressures from single-day tournaments. Consequently, the team must remain focused and cohesive during the entire event. Parents are welcome to stay in the same facility and eat with the team at meals.
2. For some distant tournaments, TEAMLVC may assist with travel arrangements; however, parents are ultimately responsible for their child's transportation to events. It is not up to the coaches to arrange transportation of the team members. Fundraising efforts will greatly assist in defraying these costs for the players.
3. Coaches will set curfews during overnight trips.
4. Girlfriends/boyfriends are not permitted on overnight trips.

TeamLVC PARENT Code of Conduct and Rules of Participation

TEAMLVC would like to welcome you as a supporter of the organization that your daughter is a member of and hopes that your family enjoys the unique relationship shared by all who enjoy the sport of volleyball.

As parents of a member in good standing with TEAMLVC, we will conduct ourselves in a manner as outlined by the following CODE:

1. In addition to the club expenses as outlined in the Parent Agreement Form, we understand that we have paid for our daughter to LEARN skills and concepts of volleyball; we have not paid to necessarily see her PLAY. We understand that the TEAMLVC coaching staff is committed to developing ALL players' skills and when a player earns the right to play in a certain situation she will be put in the game to do so. That decision is purely a coaching decision. We also acknowledge that TEAMLVC will not keep players who they do not believe have the potential to contribute in some way during the season.
2. We realize that TEAMLVC welcomes and encourages the support of all of their teams during competitions and we are aware that as parents of an TEAMLVC member, we are perceived as being part of the organization by other organizations and officials. Therefore, we will conduct ourselves accordingly by;
 - a. Cheering for TEAMLVC's teams for their efforts and NOT jeering or harassing any team, players, officials or work teams for their performance.
 - b. Realizing that the officials and their work teams are attempting to do the best job they can to fairly referee the game and that it is up to the TEAMLVC teams to win or lose the game. Therefore, we will conduct ourselves with appropriate sportsmanship and support.
 - c. Acknowledging that TEAMLVC players are relative beginners in the sport of volleyball, and human, and will therefore make mistakes...probably at critical times in a match. We will be patient and supportive through these times for all players we are around; and
 - d. Realizing that coaching is NOT a science and that all coaches will make decisions that are popular and unpopular. However, we believe that every member of the TEAMLVC coaching staff acts in the best intentions if the TEAMLVC program, the best intentions of their team and the best intentions of each and every player. We may not agree with every decision they make, but we will respect those decisions.
3. We will arrange for our daughter to be at practices & team functions on time & we will assist in car-pooling whenever possible.
4. We will be responsible for monies due on the specified dates and understand that we are responsible for the entire club fee amount once our daughter has been registered with TEAMLVC and as long as TEAMLVC is providing the services for those fees.
5. We will take ownership of our daughter's conduct and know that we will be contacted if a problem in that regard arises.
6. We recognize that we must participate in The Friends of TEAMLVC fundraising group for the club to ensure that there are no unforeseen expenses or price increases that cause the TEAMLVC members to not receive the number of practices and tournament dates that their club fees were budgeted to cover. Fundraising may be participating in specific events or soliciting contributions.
7. We understand that we will choose a team representative or Liaison who will act as the team's communication link for all issues, concerns and announcements relating to the team and/or player to the appropriate committee chairperson or coach.
8. We are aware that the decisions rendered by the Club Directors and their Board of Directors are done so with concern for the overall betterment and reputation of TEAMLVC and will abide by these decisions.
9. If we have concern or questions about our daughter's status with regard to her team, we will first discuss it with her to determine if she shares our concern and wants to address it with the appropriate coaching staff and/or Directors. If she does, we will follow the process described below, in order to have the concern addressed;
 - a. We will encourage our daughter to discuss the concern with her coach in an attempt to resolve the issue.
 - b. If the issue persists, our daughter and we will request a meeting with the Head Coach before or after a practice. NO discussions will take place during practice times or on days of competition.
 - c. If concerns still exist from either party, we may request, through the Head Coach of the team, a meeting involving the Directors, Head Coach, our daughter and ourselves. The director may ask for the Parent Liaison to attend the meeting as well. Whatever decision is made to resolve the matter by the end of this meeting will be accepted by all parties and considered closed.
 - d. If we remove our daughter from a competition site during competition without previous permission from the Head Coach, TEAMLVC will consider her to have resigned from the TEAMLVC Program and all remaining monies will become due and payable immediately.
 - e. We realize that the use of tobacco products and alcohol is legal for adults over the age of 21. However, intoxication will not be tolerated during any events that TEAMLVC is part of. Also, we will not offer any of the above-mentioned products to any junior volleyball player or under age coach or official at any of these venues for TEAMLVC attends.
10. We fully recognize that we are role models to all players in the TEAMLVC and we will conduct ourselves accordingly at all times. We are aware that if we do not behave in a manner consistent with the sportsmanship and professionalism that TEAMLVC demands from its athletes and coaches, we may be asked to refrain from attending practices and tournaments.
11. We will supervise all of our other children or minors that accompany us to tournaments. TEAMLVC staff is not responsible for this supervision.

The undersigned member and parent/guardian have received, read, understand and agree to abide by and cause family members and guests to abide by the rules and regulations of the TEAMLVC Program as they now exist and as they may from time to time be amended or supplemented.

This agreement is not assignable or transferable by the member without the specific agreement and approval of the club. Due to the fact that damages under this agreement are difficult to ascertain, the parties mutually agree that in the event of a default the club is entitled to receive the entire contract balance due as liquidated damages plus all delinquency fees as prefaced herein. This agreement will be governed by the laws of the state of New York, supersedes all prior oral or written representations or communications between parties, constitutes the entire understanding of the parties regarding the subject matter of this agreement, and may only be modified or amended by a written supplement signed by both parties.

Understanding the stipulations and having discussed these with our daughter, we agree to and will support her participation in the club. We understand that by trying-out and being selected to participate in the TEAMLVC Program, the player will be unable to transfer clubs and compete in the USA Volleyball regional and national Junior's volleyball tournaments, without written consent from the Club Director, for the remainder of the club season.

We have read and understand this TEAMLVC Program participation agreement and the financial requirements herein. We realize that we must pay all fees in full by the stated deadlines and follow these regulations, set by the TEAMLVC Program, during the club season or risk our daughter forfeiting her further participation with the club.

Read, acknowledged and agreed to this date, _____.
